Bridge in Chicago Website Upgrade

The website, <http://www.bridgeinchicago.com>, which you have for so long been familiar to view the results of your latest games is on June 2 upgrading to <http://www.newccba.bridgeinchicago.com>. The new site presents a large amount of information on a single page with links to other information on separate pages.

- ♥ If you have trouble reading, hold down the "Cont'l" key and move the roller on the mouse to enlarge the font size for your readability.

The home page has:

- ♣ Years: 2011, 2012, 2013, 2014, 2015 in the upper right. You can see results at the club level for 2011 and 2012. As the web progresses information appears that tournament information may be entered for years 2014 and 2015.
- ♣ Tool bar: Home, Club, Unit Board, Kibitzer, Member Directory, Resources. These have drop down menus offering you further options.
- ♣ Welcome: describing what this new site has to offer you, particularly by logging in and registering where you will be able to see your scores and if any masterpoints for the last five games that you played.
- ♣ Local Tournament Trail: This gives name of the tournament location and dates including links to a new page for the maps and flyers. The maps show up in the Welcome area of the Home page and the flyers on a new webpage which when closed you are back to the Home page.
- ♣ Calendar of Events: Various tournaments are highlighted in colors which I see as dark blue being a regional, light blue as sectional and a light green as a STaC.
- ♣ CCBA Tournament Results:
- ♣ Yesterday's Results:
- ♣ Other upcoming events sections:

There are also improvements for cub management to enter their information more easily.

Thanks to Tom Dressing for bringing an improved website.

Have fun exploring the features and the capabilities of this new format.

Team Game June 24

Patt and I will be continuing the registration for team games as previously with a registration form at the games. You may contact Jerry at lawsonbridgestudio@gmail.com or 773-209-7089 for registration as well as assistance in completing a team if you cannot form a team. We look to you to form your teams, and let us know of your teammates so that we may do the check in efficiently as in the past and start the game on time.

North American Pairs (NAP) Club Level Qualifying

In June, July, and August we will be holding two NAP games each month. These earn half red and half black points. Those qualifying may play in the district finals on October 12 at the fairgrounds in West Allis, just outside of Milwaukee. The top three pairs in each strata (Open, 2000, NLM <500 MP) advance to the finals at the Spring NABC in Dallas, TX March 20-30, 2014.
