LAW 16 - AUTHORIZED AND UNAUTHORIZED INFORMATION (for Parts A & B see July 2018 Newsletter)

C. Information from Withdrawn Calls and Plays

When a call or play has been withdrawn as these laws provide:

1. For a non-offending side, all information arising from a withdrawn action is authorized, whether the action be its own or its opponents'.
2. For an offending side, information arising from its own withdrawn action and from withdrawn actions of the non-offending side is unauthorized. A player of an offending side may not choose a call or play that is demonstrably suggested over another by unauthorized information if the other call or play is a logical alternative.
3. The Director shall assign an adjusted score (see Law 12C1) if he considers that a violation of C2 has damaged the non-offending side.

D. Extraneous Information from Other Sources

1. When a player accidentally receives extraneous information about a board he is playing or has yet to play, as by looking at the wrong hand; by overhearing calls, results or remarks; by seeing cards at another table; or by seeing a card belonging to another player at his own table before the auction begins (see also Law 13A), the Director should be notified forthwith, preferably by the recipient of the information.
2. If the Director considers that the information would likely interfere with normal play he may, before any call has been made:
 - a. Adjust the players' positions at the table, if the type of contest and scoring permit, so that the player with information about one hand will hold that hand;
 - b. If the form of competition allows of it order the board redealt for those contestants;
 - c. Allow completion of the play of the board standing ready to award an adjusted score if he judges that the extraneous information affected the result;
 - d. Award an adjusted score (for team play see Law 86B).
3. If such extraneous information is received after the first call in the auction has been made and before completion of the play of the board the Director proceeds as in 2(c) or 2(d) above.

LAW 11 - FORFEITURE OF THE RIGHT TO RECTIFICATION

A. Action by Non-Offending Side

The right to rectification of an irregularity may be forfeited if either member of the non-offending side takes any action before summoning the Director. If a side has gained through subsequent action taken by an opponent in ignorance of the relevant provisions of the law, the Director adjusts only that side's score by taking away any accrued advantage. The other side retains the score achieved at the table.

B. Penalty after Forfeiture of the Right to Rectification

Even after the right to rectification has been forfeited under this Law, the Director may assess a procedural penalty (see Law 90).
