Happy Holidays to You; however, You Celebrate This Season of Festival of Lights

- ♣ **STaC games December 9th and 11th** Since these STaC games are sanctioned by our Unit 123, there will be pre-dealt hands. The STaC awards are based on the percentages earned by the players in each club, and then those are polled and ranked to determine the awards and winners.
- ♣ **Team Game Monday Dec 16th**: Because of the Holidays, the team game is moved up to the 16th. Please form your teams and let me know before 4 pm on Dec 16th for room set-up and an orderly start of the game. A sign-up sheet will be available at the games as well as registering with me at lawsonbridgestudio@gmail.com.
- ♣ **No Games on Christmas Day or New Year's Day.**
- ♣ **Jay Schneider passed on November 6th.**
- ♣ **Barry Holt passed on around November 22nd, his obituary was posted on November 24th.**
- ♣ **UpGraded Club Championship:** This the reward for posting all our October games on the Live for Clubs section at the ACBL website. This is necessary as of February 1, the League will be billing us for Club Fees rather than us preparing the report and sending to the ACBL. The November 2019 Newsletter gave the instructions for players to go to Live for Clubs for their results.

LAW 8 - SEQUENCE OF ROUNDS

A. Movement of Boards and Players

1. The Director instructs the players as to the proper movement of boards and progression of contestants.
2. Unless the Director instructs otherwise, the North player at each table is responsible for moving the boards just completed at his table to the proper table for the following round.

B. End of Round

1. In general, a round ends when the Director gives the signal for the start of the following round; but if any table has not completed play by that time, the round continues for that table until there has been a progression of players.
2. When the Director exercises his authority to postpone play of a board, for that board the round does not end for the players concerned until the board has been played and the score agreed and recorded or the Director has cancelled the play of the board.

C. End of Last Round and End of Session

The last round of a session, and the session itself, ends for each table when play of all boards scheduled at that table has been completed, and when all scores have been entered without objection.
