No Game Wednesday November 6th as the regional that has been at Lake Geneva for the past many years has moved for this year to the Wyndham Garden Hotel, 1725 E. Algonquin Rd, Schaumburg, IL.

No Game Monday November 11th as the Ann Sather Restaurant needs all the space for a Veterans Day function.

Linda Sweig says: "Thank you all for making October 7th such a special evening. Your donations to the University of Chicago are much appreciated. Mitch would have loved everything about that evening. Rachel and I will always treasure our memories.

A Third Site to Review Your Club Game Results

Starting in February 2020, the ACBL is requiring club to post game results on ACBL Live for Clubs. This function of ACBL is for:

1. Publishing results with player notifications.
2. For payments to the ACBL for game fees, etc.
3. Enabling new masterpoints rules approved by the board. I have not been able to find out what these are.

I currently post game results to our website, lawsonbridgestudio.org and to the CCBA site; the new site is ACBL Live for Clubs. All of the October 2019 games are posted on this latter site. I plan on continuing to post on all three websites.

To access the ACBL Live for Clubs:

1. Open ACBL website (Currently this is not listed under the homepage heading "Clubs")
2. You need to scroll to the bottom of homepage.
3. Locate ACBL Live under the heading "Results" and click on it.
4. This will open the ACBL Live homepage
Note: as I write this there is also a title "Live for Clubs" which will bring up the ACBL Live Club Results page.
5. Click on Club Results either the blue bar "View Club Results" on the left or the large print "Club Results" on the right.
6. This brings up the ACBL Live Club Results page.
7. In the search box below the "Clubs in Your Area" start typing "Lawson Bridge Studio". Please use this club search box rather than the search box on right, as my checking shows it fails to bring up all club date results. I have notified ACBL of this discrepancy. You may also scroll to our club; however, I had to scroll through many clubs to find ours.
Note: If you want info concerning "Clubs in Your Area", you will need to login.
8. As you type the Lawson Bridge Studio will appear below. Click on it. This opens our homepage.
9. For results: click on [results](#) for your date of interest. The results are displayed by rank in each direction.
10. For hand record: click on [hands](#) for your date of interest. For my computer this indicated the file on the bottom left corner of the screen just above the start bar. Clicking on it brings up the handrecords.
11. If you want our website: click on [club website](#) just below our title.

Since I play at another game that is using ACBL Live for the Clubs, I get notification of my results. These are the score, percentage, and masterpoints, if any. If you would like this notification as it is sent all players in the game automatically, I will need to inform ACBL to do so since we have a website which by default in their program does not send out notifications.
